25 YEAR RE-REVIEW

I have received your kind letter of October 3.

In accordance with my instructions, our archivists have done everything possible to locate material which would be useful to you. Unfortunately, their efforts revealed nothing with regard to the specific subject of your inquiry. Therefore, I regret that I am able only to repeat that the most useful material which I can contribute is summarized in my book, Germany's Underground, a copy of which I have now autographed for return to you.

I should like to use this occasion to wish you success in your undertaking.

Sincerely,

Allen W. Dulles
Director
